- Our learners are confident, independent and intrinsically motivated individuals with inquisitive minds and personal aspirations to success academically, socially, physically and creatively. At Kirklevington Primary School we achieve our full potential and are fully prepared for our exciting future.
- We have a strong sense of community and are well-rounded citizens. We love to share our enthusiasm for learning with everyone, from parents to local schools, the village surrounding areas and beyond.
- Kirklevington Primary School is a small friendly school with 6 class groups.
- We were rated **GOOD** in all areas during the latest **OFSTED inspection in July 2015** and are very proud of the fantastic report we received.
- Academically we were placed **7<sup>th</sup> in the Tees Valley** for our performance in the **Year 6 SATS TESTS for 2016** and **3<sup>rd</sup> for our performance in The Year 6 SATS in 2017**. (Our results for 2018 will be loaded onto our web site for 2018 very soon).
- Children have just one childhood; we believe that their primary school experience should be magical and wondrous, filled with inspirational and unforgettable experiences.
- At Kirklevington, we know it is both our duty and privilege to help children enjoy their precious childhood years, building a firm foundation for their future lives.
- Academic, sporting and artistic performance are encouraged, with an emphasis on the values that go with these.
- We are one of a select group to achieve the **SCHOOL GAMES GOLD AWARD** for the last 4 years.
